

DIGITAL SELF CHECK IN AT VALLEY MEDICAL GROUP

**New Self
Check-in is
Here!**

**For all appointments with your
medical provider**

Coming soon for Radiology and Laboratory

**Skip the paperwork at the desk and get it
done in the comfort of your own home**

Ask the receptionist if you have
any questions

Valley Medical Group is excited to offer our patients a new Digital Self Check-In.

Please be on the lookout for your email or text appointment reminder which will contain a link inviting you to “check-in” from the comfort of your home.

You can verify your name, address, phone numbers, email address, as well as insurance, pay any copay or account balances, and complete needed forms.

The new digital “check-in” does not require an app and there is no need to create a username or password.

As always, be sure and stop in at the Reception Desk to let us know you've arrived for your appointment!

If a patient is not able to complete their “check-in” in advance of their appointment, the Valley Medical Group Reception Team will be in the health center as always to assist patients with their appointments, scheduling and more.

We're excited about this new patient-friendly process and look forward to hearing your feedback about it.
